all roads lead to THIS

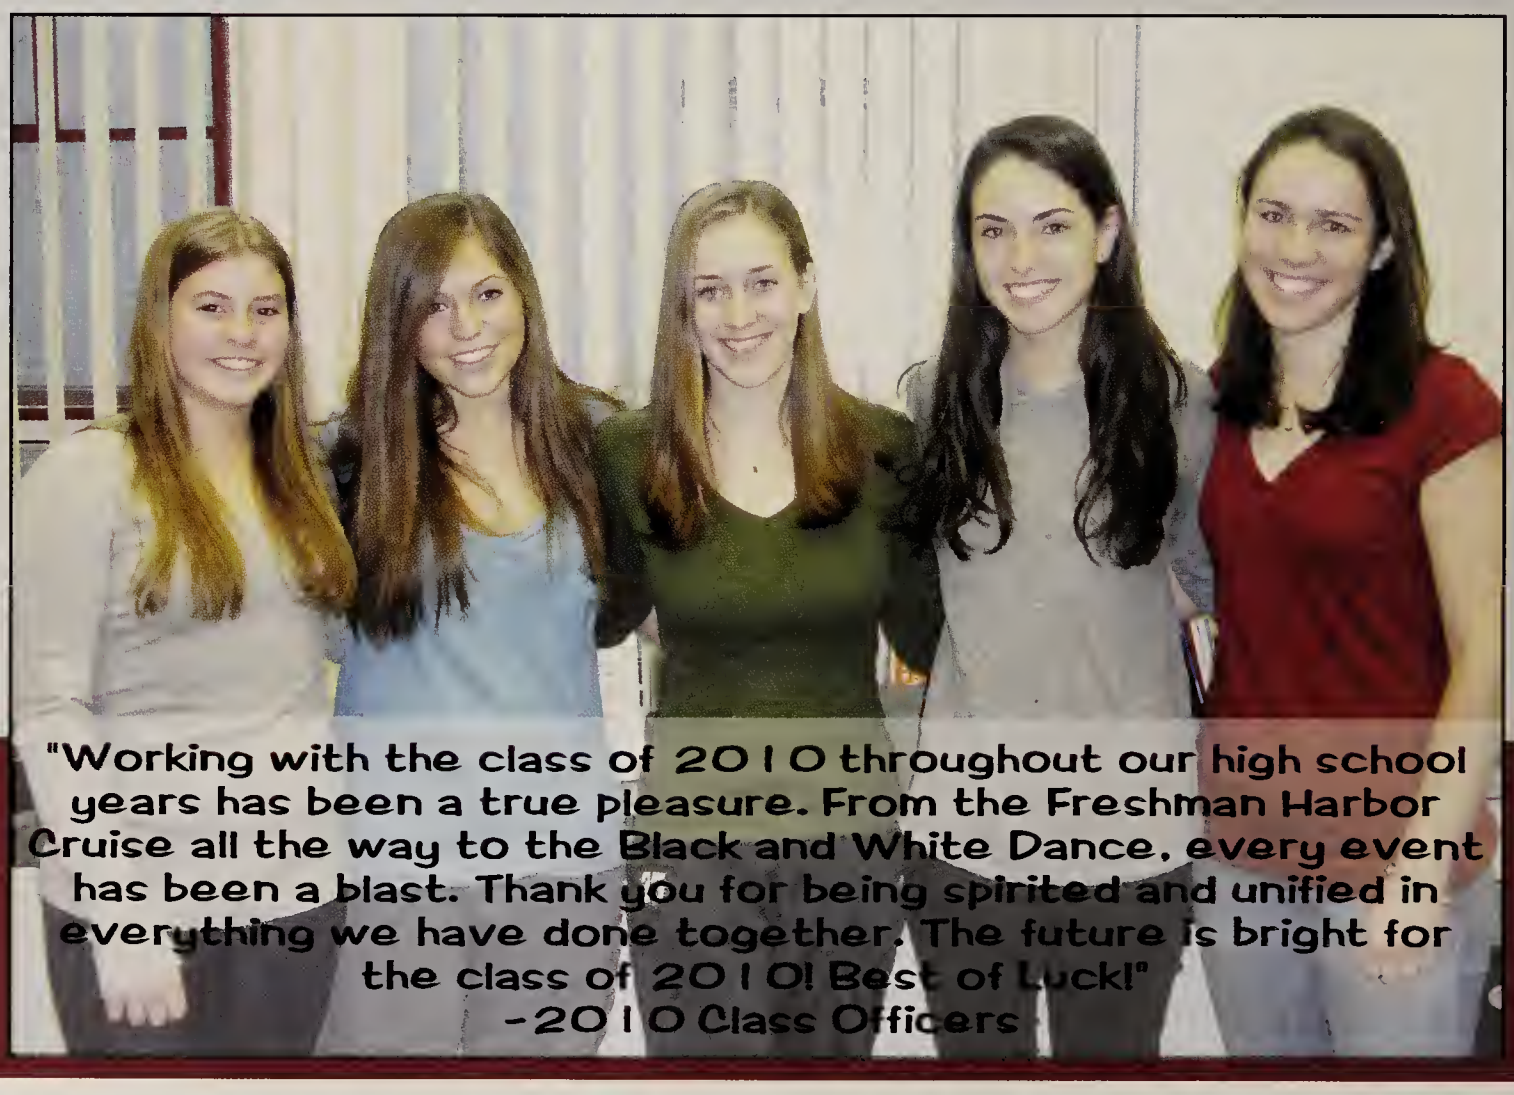
The premise of this book is modeled after Robert Frost's poem, "A Road Not Taken", where a man stands at a fork in the road on his journey through the woods. The dilemma that arises is which road to choose. We often wish we could travel both, but it is our choices that determine the direction that our lives take and make us who we are.

Each of us has and will continue to face the dilemma of knowing which path is right for us. It is true, however, that any choice is going to "make all the difference" in how our future turns out.

As we leave Weston High School, we hope that whatever path you may choose will be the right one for you!

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."
-John F. Kennedy

"The class of 2010 wishes to thank our dedicated principal, Mr. Parker, and vice-principal, Ms. Flynn for thoughtfully guiding the school and each of us throughout the school year. We've enjoyed getting to know you and have appreciated your help.
-Class of 2010



"Working with the class of 2010 throughout our high school years has been a true pleasure. From the Freshman Harbor Cruise all the way to the Black and White Dance, every event has been a blast. Thank you for being spirited and unified in everything we have done together. The future is bright for the class of 2010! Best of Luck!"
-2010 Class Officers

"The class of 2010 will do great things. We have left our mark on Weston High School, both in forming traditions and redefining excellence. From the rubber-bandman, to the point system, to kids nightout, to field day, you all have been leaders in spirit. Best of luck!"
-School Presidents and Emcees

Where would the class of 2010 be without our class and parent advisors? Your tireless effort and guidance has made our high school experience so exciting and worthwhile. We thank you for organizing our events and planning our class get-togethers. We could never have done it without you.

To be honest, Weston actually changed my life (being a little too cliché). I was seeing myself in my town, and suddenly I saw myself as the one who was chosen for the exchange program to come here. And then I arrived here.

Yes, you talk too fast. Yes, most of the times I did not understand what you said and did not know what you were talking about. But I would like to say that this was one of the best decisions in my life. I'm sure I will never forget my year in Weston. And I thank all of you who helped me while I was here, and I mean in anything and everything my families! you were and are awesome!, rides, friends, patient teachers and patient people.

See you when I see you!

"The season proved to be another successful one. Several squads stroked to success at the Head of the Charles with wet, windy and cold conditions. Both the boys and girls teams rowed to state championships in the Fall. The team continues to develop talent through hard work and shows great promise for the next season."

"The track team has had a great winter season this year. The girl sprinters had a solid team with the girls 4 by 200 winning class D state title. Many people went onto all-states which was a great honor and accomplishment. We have high hopes for next years' team and wish everyone the best of luck."

I have watched you grow over the months of the process and when you look back on things you will appreciate this. We've had a few rocky times--with me pushing and you pulling--but we've worked them out and I hope we've become friends. Thank you and good luck in the future!

Special Thanks For "Special" Help

All Weston parents and benefactors who supported the yearbook by purchasing Recognition Ads and yearbooks.

Ken Barron for providing us with countless numbers of wonderful photographs.

Ron Pownall, Glen Harder, and so many parents and teachers who supplied pictures when we needed them.

Club and Activity Advisors who provided pictures of the groups they advise.

Peter Greer, our Jostens Rep, for his extraordinary talent and support. Our book features many of his creative ideas and dozens of his photographs.

Rick Brooks, Jostens Artist, for sketching our cover design and helping us design art work.

Tim Morse, Morse Photography for taking the senior portraits and senior candid photos.

Sandy Moses and Brenda Savino, Josten Plant Consultants, for their help with our printing concerns.

Colophon

Panorama 2010, volume 26, was printed by Jostens Printing and Publishing in State College, PA., and produced by a student staff. The yearbook was a 256-page spring publication with a trim size of 8 1/2 by 11; and a press run of 475 copies. Books were sold through Jostens online and through the high school at $85 a book. The book was also financially supported by very generous parents and sponsors who purchased ad space in the book. Our theme was "All Roads Lead to ThIs" -- speaking of Weston and Weston High School, of course. The theme was developed using Robert Frost's poem "The Road Not Taken". The Panorama office is located at Weston High School in E-wing just beyond Room 200. The office phone number is 781-529-3020, extension 7036; and the email address is ijnick@mail.weston.org. The yearbook website can be found on Weston Public Schools/High School/Extra-curricular/Club and Activities/Yearbook/click here to Yearbook website. All student clubs and organizations were encouraged to submit photos and offered similar space.

DESIGN

The cover and endsheets were designed by Peter Greer and Rick Brooks--using the ideas of the yearbook editors. Other designs were created by the Panorama staff and Peter Greer using Jostens Yearbook Avenue YearTech Online Page Producction Tool and Adobe Photoshop CS4. The cover is precision cut with custom silver foil stamping (381) on the spine and lid on maroon leathertone (480). The entire book used 1000 gloss text paper.

PHOTOGRAPHY

Panorama staffers took many of the yearbook photos. Peter Greer, using a Nikon D700, provided nearly all of the photos that were used for the Cover, Divider Pages and End Sheets. Morse Photography, www.morsephotography.com, took the senior portraits and senior candid photos for the Senior and Opening Sections. Life Touch National School Studios Inc.. 11000 Viking Drive, Eden Prairie, Minnesota 55344, took the underclass and faculty/staff pictures. The majority of the Sports pictures were provided by Ken Barron and supplemented by parents and students; pictures for the Activities and Closing Sections were provided by Ken Barron and Glen Harder. Parents of seniors provided the photos for the Recognition Ads section
